```
SELECT *  
FROM UserActivity  
GROUP BY username  
HAVING COUNT(*) = 1  
  
UNION ALL  
  
SELECT u1.*  
FROM UserActivity u1  
LEFT JOIN UserActivity u2  
ON u1.username = u2.username AND u1.endDate < u2.endDate  
GROUP BY u1.username, u1.endDate  
HAVING COUNT(u2.endDate) = 1
```
