```
SELECT ad_id, IFNULL(ROUND(AVG(CASE WHEN action = 'Clicked' THEN 1  
                                WHEN action = 'Viewed' THEN 0  
                                ELSE NULL END)*100,2),0) AS ctr  
FROM Ads  
GROUP BY ad_id  
ORDER BY ctr DESC, ad_id
```
